Hi Kathy,

EPA met with ADEQ regarding the SFY19 midyear/SFY20 grant negotiations (EPA 404 agenda attached). During the meeting, Trevor Baggione, ADEQ, informed R9 that following a conversation with David Ross, ADEQ has scheduled a meeting with OGC to discuss ESA issues. We are requesting more information on this proposed meeting. In addition, ADEQ will be evaluating their current time frame to see if they can move up the application package to EPA. It is currently scheduled for October 2020.

ADEQ met with the Corps discuss 404 assumption (meeting agenda attached).
